

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA
CORRECTED STANDING HEARING OFFICER DIRECTIVE

DOCKET NO. 2019-184-E ORDER NO. 2020-60-H

JUNE 26, 2020

Standing Hearing Officer: David Butler

DOCKET DESCRIPTION:

South Carolina Energy Freedom Act (H.3659) Proceeding to Establish Dominion Energy South Carolina, Incorporated's Standard Offer, Avoided Cost Methodologies, Form Contract Power Purchase Agreements, Commitment to Sell Forms, and Any Other Terms or Conditions Necessary (Includes Small Power Producers as Defined in 16 United States Code 796, as Amended) - S.C. Code Ann. Section 58-41-20(A)

MATTER UNDER CONSIDERATION:

Request of the South Carolina Solar Business Alliance ("SCSBA") for an Extension to Respond to Proposed Mitigation Proposals of Dominion Energy South Carolina ("DESC")

STANDING HEARING OFFICER'S ACTION:

SCSBA references Commission Directive Order No. 2020-420, dated June 17, 2020 in this Docket, which establishes a response date of July 6, 2020 as the date by which parties may submit comments on DESC's proposed mitigation protocols. SCSBA states that because of the complexity and importance of DESC's proposed mitigation protocols, SCSBA requests a fourteen-day extension from the current July 6, 2020 response date, until and including Monday July 20, 2020. SCSBA notes that DESC also received an extension of time to make DESC's latest filing on DESC's mitigation protocols and SCSBA did not oppose the request. SCSBA also states that the July 4th holiday occurs just before the current July 6, 2020 response date. All other parties in the Docket have consented to the request for extension.

Noting that the next scheduled Commission meeting is on July 8, 2020, which is two days after the present deadline for responses, this Standing Hearing Officer will proceed to rule on the request. The response date for comments on DESC's proposed mitigation protocols is hereby extended from July 6, 2020 to July 20, 2020 for SCSBA and all other parties in this case who may wish to respond to DESC's proposed mitigation protocols. This ends the Hearing Officer Directive.
